

JOIN US IN THE ART ROOM FOR ART WITH THE CALDECOTTS!

Art with the Caldecotts is an exciting adventure into the world of beautiful literature and the illustrations of the artists who make the stories come to life. Students will hear both timeless and new stories and view the illustrations of the books with a new understanding of the meaningfulness of the pictures. Students will then create their own illustrations, learning from the Caldecott Award winning artists, using a variety of techniques and mediums.
