

Eagle's Wing Learning Center

*A Charlotte Mason
Learning Environment*

Educational Essentials

*“But they who wait for the LORD shall renew their strength; they shall mount up with wings like eagles; they shall run and not be weary; they shall walk and not faint.”
Isaiah 40:31 (ESV)*

Eagle's Wing exists to nurture joy and creativity in learning.

We are a Charlotte Mason cottage school, created for families who desire a balanced approach to education, with the goal of igniting a passion for lifetime learning. Our gentle approach features a balanced, integrated, and broad curriculum, experienced in context of community, fellowship and support.

- For homeschooling families, we offer an enriching partnership for your home education goals.
- For families coming from traditional school settings who long for something more, we offer an alternative to the 'conveyor belt' model of education.

Ultimately, Eagle's Wing is for any family that seeks *passionate* and *purposeful* learning.

Educational Philosophy

The educational philosophy of Eagle's Wing is guided by the Charlotte Mason method, which focuses on living books and education of the whole child. We provide for students a feast of subjects within the atmosphere of environment, the habit of discipline, and using living ideas and books. Additionally, we strive to guide students in the science of relations, allowing them to make discoveries of their own through their exploration and creative, experiential learning.

Curriculum Approach

As a ministry of Hobson Road Community Church, Eagle's Wing provides quality education for students in grades PK-12. We put Christ at the center of all that we do. Our curriculum follows the Charlotte Mason Alveary scope and sequence model, and is customized by teachers for a cottage school environment. We focus on spreading the feast, inspiring student creativity and discovery, leading to depth of understanding and mastery of material. Teachers are experienced and trained in the Charlotte Mason educational philosophy and methods. All students will be guided in a Christian worldview as a foundation for a broad liberal arts education that will prepare them to be all God created them to be.

Operations Overview

- The Eagle's Wing school year will run 28 weeks.
- Pre-Kindergarten students may attend 1 day per week.
- Elementary students may attend 1-3 days per week.
- Junior High and High School students may attend 2 days per week, with teacher support throughout the week for their individual studies.
- Yearly calendar, schedules, fees, and enrollment information is available online.

Additional Tutoring and Support

- Private tutoring in various subjects is available during the week for additional student support.
- Private music instruction and Musikgarten classes are available during the week.
- Individual educational consulting and curriculum design is available for parents.

Charlotte Mason Reading Group

Parents are invited to meet with us monthly as we read and discuss the Home Education Series by Charlotte Mason. As we mine the extensive storehouse of educational knowledge and wisdom of Miss Mason's Volumes, we will guide parents in the practical questions of how to put these inspiring principles into practice in our schools and our homes.

Family Field Trips

Field trips and park days offer children and families a time to both enrich their education in an experiential way as well as valuable community and play time!

Location

Eagle's Wing Learning Center is a ministry of Hobson Road Community Church, located at 2531 Hobson Road, Downers Grove, IL 60516.
