**Philosophy of Education:**

*Eagle’s Wing is a Charlotte Mason inspired 3-day per week academic homeschool program. We work in service and in partnership with parents in the education of their children. Eagle’s Wing follows the Alveary Curriculum, modified for a co-school program. Teachers will be provided with a Scope and Sequence and Book selection for each of their classes, but are also encouraged to bring their own creative ideas to each classroom. Teachers should be enthusiastic about Charlotte Mason philosophy of education. Charlotte Mason believed in living books, a liberal amount of outdoor and nature time for all ages, and no formal academic work until age 6. She espoused that “Education is an atmosphere, a discipline, and a life.”*

Eagle’s Wing exists to nurture joy and creativity in learning.

Are you enthusiastic in the pursuit of this educational philosophy?    Y    N

If so, how would you implement this in your classroom?
