## Notes on Curriculum 2024-25:

**Science** at all levels will be Biology.

### **Junior High and High School Math 1 and 2:**

A placement test will place students at either level math 1 or math 2.

Curriculum TBD by instructor and will be a comprehensive full year math program.

Students enrolled in math will need to be at school for math all 3 days plus a Monday Zoom meeting.

Math will be part of the full day price, or may be taken as a separate 'a la carte' class.

Math instructor will provide homework help on Wednesday's and Zoom office hours on Monday's.

There will be an additional one-time fee for Monday Zoom meeting for full day (fee-inclusive) students.

**Math Help** for Elementary students will include individual curriculum studies with a math tutor and math skills/games. Parents will sign up for a Tutor time and there will be a small fee included.

**Reading/Narration Help** for Elementary students will include individual reading and narration practice with a reading tutor. Parents will sign up for a Tutor time and there will be a small fee included.
