Notes on Curriculum 2025-26:

Science at the Elementary level will be Health and Human Anatomy. Science for JH-SH will be Health and Nutrition.

Junior High and High School Math 1 and 2:

A placement test will place students at either level math 1 or math 2.

Curriculum TBD by instructor and will be a comprehensive full year math program.

Students enrolled in math will need to be at school for math all 3 days plus a Monday Zoom meeting.

Math will be part of the full day price, or may be taken as a separate 'a la carte' class.

Math instructor will provide homework help on Wednesday's and Zoom office hours on Monday's.

There will be an additional one-time fee for Monday Zoom meeting for full day (fee-inclusive) students.

Math Help for Elementary students will include individual curriculum studies with a math tutor and math skills/games. Parents will sign up for a Tutor time and there will be a tutor fee included.

Elementary Math Program Students may also choose to enroll in our Elementary Math Program which includes Monday, Tuesday, and Thursday math instruction. This is an outside/additional math program for Elementary students.

Reading/Narration Help for Elementary students will include individual reading and narration practice with a reading tutor. Parents will sign up for a Tutor time and there will be a small fee included.
